

TESTIMONY

TO: FRIENDS OF KIBBUSE

FROM: NIIMA DERRICK

I greet you in the name of our lord Jesus Christ. First and foremost, I take this opportunity to thank the almighty God for the gift of life that He has given to us. I am Niima Derrick a student of St. James Kibbuse VTC offering a national certificate in Agriculture production year two.

I am a male by sex and a Ugandan by nationality, Mugwere by tribe and aged 26 and I come from Budaka Eastern Uganda. I started my studies in Nyanza 1 primary school and later, I went to a secondary school where I obtained a UCE certificate in 2018. Because of funds I was not able to continue with studies, I stayed at home for some time and I had lost hope to continue with studies because of finance. In order to sustain myself, I started to engage in growing vegetables like egg plants, tomatoes, and green papers which I could sell to earn to earn a living. But God is great a chance came, where I discovered that there was an institution in Mid Western region through radio program on one

local radio called KDR. This is where I realized that I could be given a vacancy in KVTC and continues with my studies in a course which was in my favorite which was agriculture production. I started that course in 2018 and I am now happy that God is merciful because I am completing my second year which will be done in November. I also thank God for the gift of life, wisdom and knowledge. Though I have been facing some Challenges in life, KVTC has shaped me into a responsible person and now I know I can sustain myself with the skills I have acquired at school and even share them with other people in my home area

I appreciate for the good work done by the school administration and Friends of kibbuse for moral, financial and spiritual support that you have rendered to us as trainees. We shall never forget you, we love you and we shall always remember you through your good deeds. I will not forget my fellow trainees for the cooperation we have, it's quite encouraging.

Conclusively, I thank the administration and the entire staff of St. James KVTC for the good work.

Amen
